Three Rock Orienteering Club was formed in 1976. The club is based in Dublin and is one of the most active orienteering clubs in Leinster. Its aims are to organise and promote the sport of orienteering. Most of our members live in the Dublin area.

3ROC organises regular events which are open to all ages and cater for all levels of fitness - our members range in age from under 10 to over 80. Our orienteering events take place in parks, woods, and open mountainside mostly around Dublin, Wicklow, and Louth, providing a scenic environment for anyone who likes to be out in the open. 3ROC membership entitles you to reduced entry fees for most orienteering events run by any club. Club membership also makes it easier to arrange transport to events.

For more details go to www.3roc.net or to our Facebook page.
